# Take your best shot!

**The Richmond Hill Golf Learning Centre** is a full-game improvement facility, with some of the most knowledgeable and dedicated professionals you will find. The use of creative real-life analogies and inventive drills help them communicate with students of all levels and learning styles.

## **Our passion is to make you enjoy the game more by helping you:**

- Improve your fundamentals
- Improve accuracy of approach shots
- Save shots around the green
- Lengthen your drives
- Develop a routine for consistency
- Learn the rules
- Have fun!

Our friendly CPGA instructors are career teaching professionals who share a refreshing, effective and proven approach to improving your game. Particular attention is given to develop confidence and the positive mental approach needed to take what you've learned out on to the course!

# Our CPGA Team

## **Shawn Clement—Director**

Shawn has over 20 years of teaching experience, and has the unique ability to break par both right & left handed. He has studied anatomy, Neurology & Psychology extensively. His enthusiastic approach and genuine desire to share his knowledge helps him connect with students of all abilities.

## **Paul Davies—Head Instructor**

Paul loves to compete and plays in Canadian PGA events every year to keep his skills sharp. After 13 years of teaching he continues to study the game and teaches with a passion that makes him engaging as a Head Instructor

## **Allen Panuncio—Senior Instructor**

Allen's calm and reassuring demeanor coupled with his enthusiasm provides the perfect blend for teaching the game. He plays a key role in our junior development programs. Allen has been with the RH Golf Learning Centre for 6 seasons.

## **Matthew Blois-Instructor**

Matt has an in-depth understanding of the golf swing, and is also our resident expert custom club-fitter. He plays a key role in our junior development programs and summer camp.

## **Donna Norman-Instructor**

Donna recently passed her playability test within the CPGA and we are happy to welcome her to the RH Golf Learning Centre team! She combines her extensive playing experience to enable students of all ages to reach their full potential.

# Services & Programs

## **Rules of Golf**

From a beginner to a single digit handicap, true knowledge of the game means you need to know the rules! All of our lessons and clinics incorporate the rules & decisions of golf.

**Titleist®**

## **Custom Club-fitting**

Using our state of the art Vector Launch monitor, we can custom fit you for your next driver, irons or even your putter. Club-fitting consists of determining proper shaft type, flex and length, as well as loft, lie angle and grip. Buying clubs "off the rack" should no longer even be considered!

## **Kinesis Training**

Golfers get 360 degrees of movement using our state of the art Kinesis Training Wall. Golf specific movements and programs have been developed to help you gain the strength and flexibility needed to improve your game. You need to try it for yourself!
